How many shamrocks do you see?

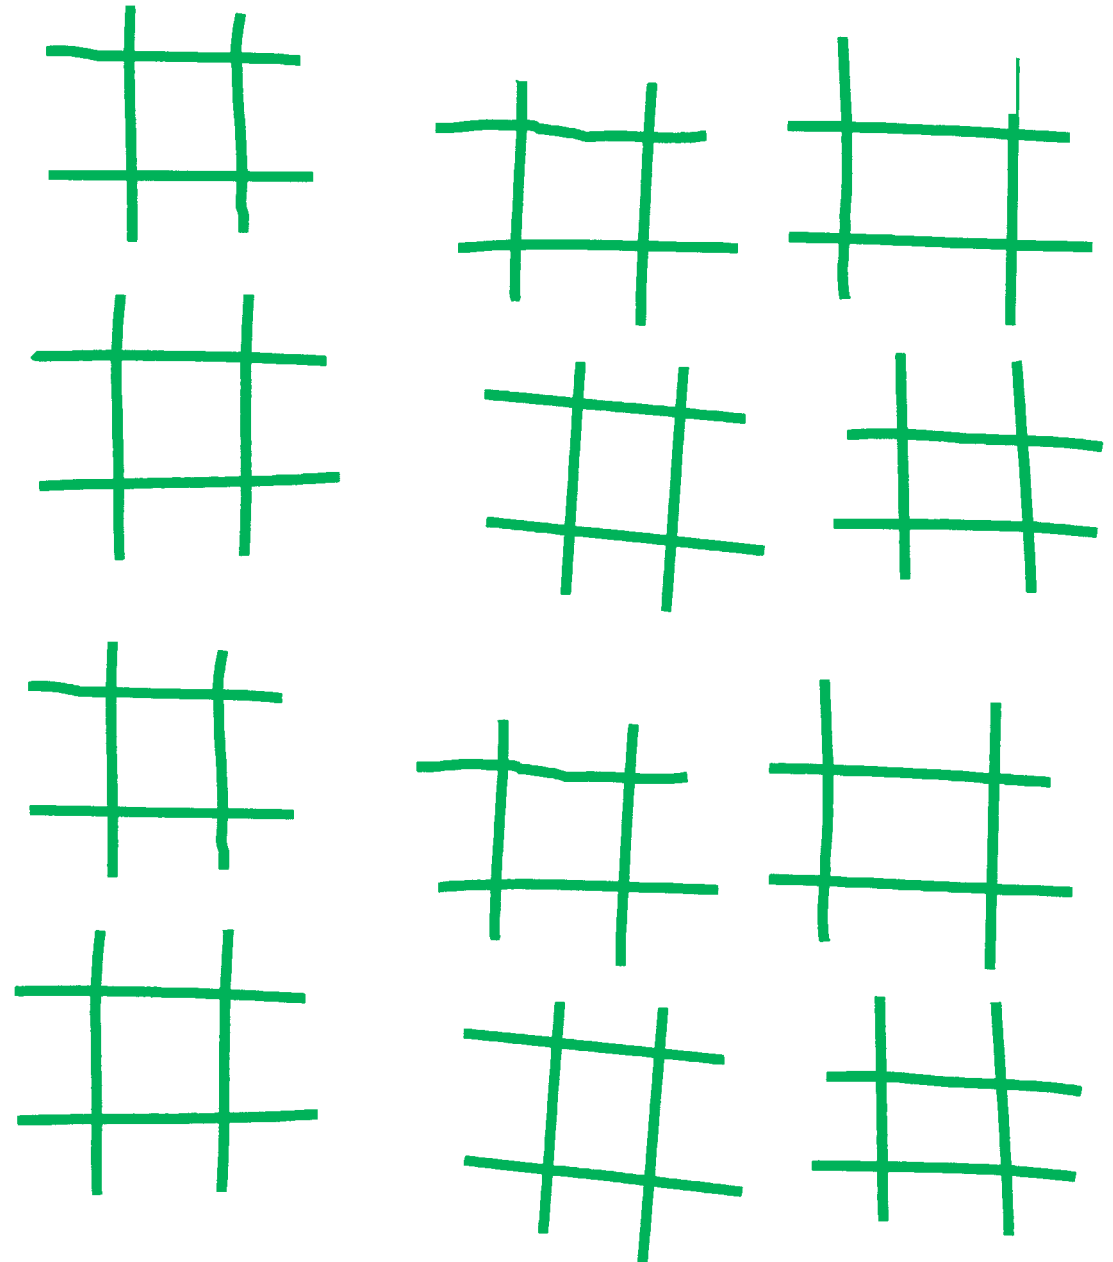

Find Lucky the Leprechaun!

- 1) Look at the picture & point to a Pot of Gold.
- 2) Move your finger left or right to the nearest Shamrock.
- 3) Now move your finger up or down to the closest Pot of Gold.
- 4) Move your finger in a "diagonal" line to the nearest Shamrock.
- 5) Now move one square down or right to Find the Leprechaun!

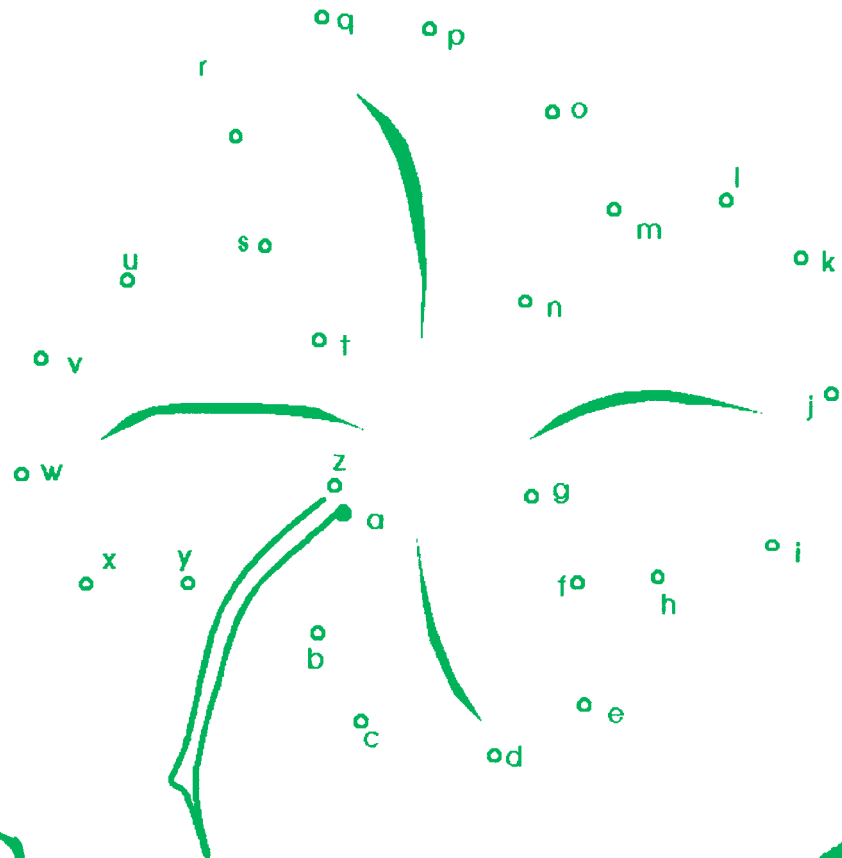

Try it again, it works every time!

A Tricky Maze For
You To Try!

Lucky Shamrock Game

Take turns drawing between 2 dots (to make a square).
 When you complete a square, put your initial in it and
 get a free turn. When all the squares are finished add
 up the score. You get 1 point for each empty square and
 3 points for a square with a shamrock in it!

The winner: _____
